MEMORANDUM FOR: Bruce Johnson
Chairman, Fine Arts Commission

FROM : [REDACTED]
Chairman, Exhibits Committee/FAC

SUBJECT : Fine Arts Commission Meeting - 11 May 1981

STAT

1. This memorandum regards the agenda item on guidelines for material placed on Agency bulletin boards, kiosks, etc., to be discussed at subject meeting.

2. As you recall, Pictorial Services Branch of OCR has a specific problem; we are requesting approval to place our poster advising of off-the-air recordings on the kiosks. The weekly recordings would be inserted on the poster. During the weeks when there was nothing of interest to record, the poster would be removed from the kiosk.

3. Unfortunately, when I checked my calendar I found that 11 May is the first day of a class that I'm attending during the day (Monday and Wednesday, 11 May - 17 June) at Catholic University. If it meets with your approval, I would like to invite [REDACTED] Branch Chief of PSB, to attend the meeting and present the background on this subject and answer any questions the Commission members might have. I've discussed this with [REDACTED] he has agreed to attend. It was a great disappointment to me when I realized that I would not be able to attend the meeting; I've spent a lot of time on the development of this poster and would have been happy to discuss it with the Commission. However, [REDACTED] has all of the background and will do a fine job of presenting our case for consideration.
